

The PLANNING COMMITTEE Needs to Hear from You!!

Dear South Carthay and Surrounding Neighbors,

Your support for Draft #3 of the city's Housing Element Rezoning is necessary and urgent! Your support for Draft #3 will ensure that our beloved neighborhood of beautiful homes, duplexes, and apartments, can continue to be the place we love, raise our families, and pass on to the next generation.

Draft 3# continues to protect Single-Family neighborhoods, HPOZs and historic districts, rent controlled multi-family neighborhoods, and coastal and high fire areas.

Draft #3 will be considered by the City Planning Commission on Thursday, September 26th. It is critical that Draft #3 be approved by the Commission and sent to the City Council.

Here's the plan: We are on a tight schedule!

1. By Tuesday, September 24th we must send in written comments in support of Draft #3

to the Commission. Click below to send your email today. We've done all the work, you just sign your name and address.

2. Thursday, Sept 26, 8:30 a.m. is the Planning Commission Hearing. We need to call in or go down to City Hall to make an in-person comment. Either way, we need to make comments of support. Information for online or in person participation click [here](#).

Thank you in advance for your continued support of our neighborhood.

P.S. Your emails are working. We have made progress. In July, 80% of the callers attending the Zoning Hearing wanted to end protections for neighborhoods like ours. By the end of August, we had managed to totally reverse the vote, with 75% of the 3000 public comments sent to the City Planning Department demanding that our neighborhoods be protected from intrusive developers. Keep up the work! Send another email today!
